BUS1001: Introduction to Business (3 semester credits)

COURSE DESCRIPTION
The course helps the students to understand the fundamentals of business, its principles and functions. Students in this course will examine the general business environment, the art and science of marketing, and how to successfully manage human resources. Additionally, the course covers the basics of finance and investment in business. While studying these topics, students will see examples of the concepts in action, to help them better comprehend how they apply to big, small, and even entrepreneurial companies.

Course Effective Dates: September 2019

Prerequisite(s): Lower-division baccalaureate/associate degree course – no prerequisites

Length of course: This is a self-paced course. Students have 60 days with an additional 30 day extension (if needed) to complete the course.

ACE CREDIT® Recommendation: In the lower-division baccalaureate/associate degree category, 3 semester hours in introduction to business (8/19).

LEARNING OUTCOMES
Upon completion of the course, the student will be able to:
1. Describe the environment of business.
2. Examine the art and science of marketing.
3. Analyze the successful management of human resources.
4. Evaluate finance and investment in business.
