PHIL1002: Introduction to Ethics (3 semester credits)

COURSE DESCRIPTION
Sophia's Introduction to Ethics course explores philosophical approaches to understanding morality and evaluating moral actions. In this course, you will learn about a variety of normative ethical theories, and apply these theories to real world ethical issues. With an understanding of the strengths and weaknesses of major approaches to ethics, you will build the critical thinking skills necessary to justify ethical positions.

Course Effective Dates: September 2019

Prerequisite(s): Lower-division baccalaureate/associate degree course – no prerequisites

Length of course: This is a self-paced course. Students have 60 days with an additional 30-day extension (if needed) to complete the course.

ACE CREDIT® Recommendation: In the lower-division baccalaureate/associate degree category, 3 semester hours in philosophy, humanities, or ethics (8/19).

LEARNING OUTCOMES
Upon completion of the course, the student will be able to:

1. Identify and articulate the goals of ethics as a discipline
2. Analyze and evaluate philosophical arguments
3. Define, describe, and apply key terminology in moral theory
4. Articulate the essential features and commitments of major approaches to ethics
5. Identify and articulate the strengths and weaknesses of major approaches to ethics
6. Apply a variety of moral theories to evaluate real-life situations and actions
7. Recognize the sources and effect of bias in ethical decision making
8. Analyze ethical considerations for contemporary ethical issues
